

(Insert friend's name)\_\_\_! How are you?

I'm volunteering for a non-profit organization that provides unique opportunities for artists to grow mentally, spiritually and emotionally. It's called Creative M Projects and the money raised makes it possible for young artists to have mentors, participate in cool experiences, retreats and a bunch of other things.

My personal goal is to raise at least \$1500 today for these artists. So I'm calling 10 of my closest friends and family members to ask for a \$150 donation.

Can you help me reach my goal by making a donation right now? (They say YES:)

Okay how would you like to give? They accept credit cards online, Zelle, Venmo, CashApp or you can mail in a check.
